Due to Covid-19 many former events have been cancelled or moved to a virtual platform. Like everything that has happened over the last year, we have to adapt. It is my hope that we will be able to attend conferences and travel together this year. Please don't be discouraged if events get cancelled! I want to make your experience in FCCLA fun and provide you with many opportunities to explore your leadership potential. Together we can make the Veterans High School FCCLA chapter the best!

FCCLA is a student organization with teachers serving as advisers only. I understand that as a member, I will work with the other members and officers to lead FCCLA to a successful year. As an FCCLA member, I understand the commitment of energy, time, and effort required.
